MEMORANDUM FOR MR. SHEPARDSON

FROM: Roger A. Pfaff, Lt. Col., Inf.
Acting Chief, X-2 Branch

1. We are transmitting herewith for your examination a Top-Secret study entitled "OSS Bari Operations and its Relationship to the 'Committee of Free Hungarians in Rome'", dated 30 October 1944, and a Top-Secret pouch letter entitled "C-E Aspects in the Employment of Certain Hungarian Nationals in Italy and Central Europe", dated 14 February 1945. The latter is in reply to a Top-Secret pouch memorandum which was sent by this branch to our representative in Caserta on 6 February 1945.
2. Your attention is particularly invited to pages III and IV (paragraph B) and pages 11 to 14 (paragraphs 24 to 27) of the above-named study, also paragraphs 7 and 8 of the Caserta pouch letter.
3. Since Zsolt ARADI appears to constitute a major threat to SI-CE security, we believe it would serve SI interests to bar ARADI from having "access to SI-CE files and plans, including those referring to the Dawes and Day Missions."
